

January 24, 1996 LB 754, 866, 910, 1357
 LR 296, 298, 304-306

for Dr. Nelson when he retired from Chadron State College and have known him for a good many years. At the time of his retirement, we were all wondering what Dr. Nelson would do and we were feeling very badly about the fact that we were going to miss his input and his caring attitude and leadership in the Panhandle. Dr. Nelson went on to share those kinds of attributes that he has with the whole state. His sense of humor, his energy, his willingness to help other people I think is evident throughout this state, and I would wholeheartedly support the resolution and encourage the rest of you to also, but also, in recognizing Dr. Nelson as truly a statesman and someone who benefitted the entire state of Nebraska.

SENATOR BOHLKE: Thank you, Senator Hillman. Senator Robinson.

SENATOR ROBINSON: Madam President and members of the body, this will be brief, but I had a cousin who lived in Holdrege at one time, he has passed away now, but, I want you to know that he was the Mayor of Holdrege. So the good blood lines of the Robinson family, I'm sure has something to do with this good town of Holdrege, Nebraska. I would just have to say Mr. Van Marter, he has overcome a lot of obstacles (laughter) Senator Schimek, but thank you.

SENATOR BOHLKE: Thank you, Senator Robinson. Seeing no further lights, all those in favor of the resolutions vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Madam President, on the adoption of the resolutions.

SENATOR BOHLKE: Resolutions are adopted. Items for the record.

CLERK: Madam President, thank you. Education Committee reports LB 754 to General File with amendments, signed by, Senator Bohlke as Chair.

Senator Will would like to add his name to LB 1357 and LB 910.

That is all that I have, Madam President. Oh, I'm sorry, one other thing, excuse me, Senator Lindsay as Chair of Judiciary has selected LB 866 as one of the committee priority bills for this session.
